## UNLIMITED RECYCLING

UP TO ONE 96-GALLON  
ORGANICS  
CART

**Serviced weekly and available to all Bellevue businesses.**

Save money and resources by recycling and composting as much as possible and reducing your garbage. It's good for our community and the environment.

Bellevue Utilities will assist your property with starting or improving a waste reduction and recycling program **specifically tailored to your site's needs.**

We will work with you to examine your current waste stream practices, look for opportunities to reduce waste and enhance recycling, and provide the tools and training necessary to benefit from the City's new organics collection service option which is available at no additional fee.

Free tools included with site visit:

- Kitchen food waste containers

**KITCHEN WASTE CONTAINER AND BAGS**

Here are some things you can store and carry food scraps to your food and yard waste container. Approved compostable bags may LOOK like regular plastic, but they are made of plants, so they compost.

**DO NOT put any plastic bags or plastic containers in food and yard waste cart.**
